Include Me Days

Include me Days are designed for key stage 2 and 3. Pupils can take part in a range of activities planned to get them thinking about disability and inclusion. They have an opportunity to recognise that people with disabilities are similar to themselves in many ways and to learn about and value the differences that people with disabilities may have.

They are also encouraged to think carefully about inclusion and devise ways in which people with disabilities can take part in activities which at first glance may not appear possible. Children take the lead in these activities and our staff, are there to facilitate and stimulate discussion. School and pupils will receive a certificate and resource sheet for completing the sessions. Costing for a full day delivery is £200, and costing for a half day delivery is £100.

Sport Leaders Qualification for 14 years+

Pupils have the opportunity to complete a Level one Sport Leaders Qualification that covers leadership skills in communication, team building, organisation and planning, officiating and leading sessions. This can be completed over a 12 to 16-week programme, depending on the individual needs. Minimum of 5 and maximum of 14 within a group. Costing for delivery is £50 per person.

PL Primary Stars

PL / BT Disability Programme are working in partnership with the Premier League Primary Stars programme working with local primary schools across Hertfordshire and Harrow.

This is a teacher education programme where football is used as a vehicle for learning with the children (although the sessions are designed to allow a focus on fundamental movement skills, problem solving and decision-making skills that can be easily transferred in other sports). The teacher must be working alongside the coach, so that the coach can explain the sessions in detail, with the overall aim of making the teacher more confident around delivering PE.

The teacher will receive several resources including session plans, pupil's booklets, and a value pack which can support the needs of the teacher. This programme runs over a ten-week period. Costing for delivery for primary schools is normally £800 but will be subsidised by the PL/BT Disability programme to £450 for SEN primary Schools.

PL Girls Delivery

PL/BT Disability Programme are working in partnership with the PL Girls programme for secondary schools. The programme can run during lunchtime or after school to help increase awareness and participation for girls playing football. Girls will also be able to join in with local girl's tournaments against other Premier League Clubs.
